WARRANTY STATEMENT

Watt Solid State Lighting Co., Ltd. (hereinafter referred to as “WSL”) provides limited warranty according to below conditions.

1. Warranty Period

WSL LED General Illumination products are covered by a five-year limited warranty, from the date of delivery.

2. Warranty Coverage

WSL warrants these products to be free of defects in workmanship and/or material. This warranty includes all electrical and mechanical components including finish and gaskets.

The standard exterior finish on any WSL luminaire covered by this warranty will only be considered defective if there is substantial deterioration in the form of blistering, cracking, peeling, or corrosion. During the warranty period some fading, staining, or chalking may occur. This is normal aging for the finish used, is not a manufacturing defect, and is not covered by our warranty. This warranty covers luminaire installed at two miles away from saltwater coastline.

3. Disclaimer or Consequential Damage

This warranty excludes defects resulting from improper handling, misuse, storage, installation, power surge, improper power supply, electrical current fluctuations, negligence, accidents, acts of Gods or nature, fire, vandalism, or civil disturbances.

This warranty covers only the product itself; we assume no liability for labor costs, installation costs, improper fixture selections or other losses. Upon confirmation of a defect or failure, at our discretion, we will repair or replace the item. If product is deemed to be in good working condition or if any of the above-mentioned conditions are not met, the product will be returned and no warranty will be given.

This warranty is exclusive of all other warranties, expressed or implied, and WSL hereby specifically disclaims all other warranty claims of any type; including without limitation, a warranty of merchantability of any unit or its fitness for any particular use or purpose. The customer's remedy under this warranty is exclusive. In no event shall WSL be liable for interruption of business loss, profits or indirect or consequential damages, injury to person or damage to property from any cause whatsoever.

4. Procedures of Returning Product

- Prior to returning any product for repair or replacement, the following information must be provided to WSL: product pictures, proof of purchase, product Model, serial number and a detailed description of the reason for return.
- Please contact WSL Sales Representative to get a Return Material Authorization (RMA) number, clearly mark shipment container with the RMA number.
- Include a return address and contact information with the shipment.
- RMA's are shipped via customer paid postage.

All products are assembled, tested and double checked for accuracy before being shipped to customer. It is the responsibility of the consignee receiving the goods to inspect the goods to ensure accuracy of order and to check for any damages that could have occurred from shipping. Claims for missing parts after 7 days of receiving goods will not be accepted. Damage to product due to shipping should be claimed immediately with freight carrier. WSL is not responsible for products damaged in transit by freight carrier.
